

# MATERIAL SAFETY DATA SHEET

## Racumin Rat and Mouse Paste

Date of Issue: October 15, 2002

### 1. IDENTIFICATION OF THE SUBSTANCE / MIXTURE AND SUPPLIER

**Product name:** Racumin Rat and Mouse Paste

**Other names:** None

**Product code:** 1019820

**Recommended use:** Prepared rodenticide paste bait for rodent control.

**Supplier:** Bayer Environmental Science – A Business Group of Bayer CropScience Pty Ltd ABN 87 000 226 022

**Address:** 391 - 393 Tooronga Road, East Hawthorn  
Victoria 3123, Australia

**Telephone:** (03) 9248 6888

**Facsimile:** (03) 9248 6800

**Website:** [www.bayercropscience.com.au](http://www.bayercropscience.com.au)

**Contact:** Technical Manager (03) 9248 6854

**Emergency Telephone Number:** 1800 033 111 – Orica SH&E Shared Services

### 2. HAZARDS IDENTIFICATION

#### HAZARDOUS SUBSTANCE - NON-DANGEROUS GOOD

Very toxic in contact with skin and if swallowed. Not irritating. Not flammable.

**Hazard designation:** Hazardous according to criteria of Worksafe Australia

**Risk phrases:** R27/28 Very toxic in contact with skin and if swallowed  
R48/24/25 Toxic: danger of serious damage to health by prolonged exposure in contact with skin and if swallowed

**Safety phrases:** Not applicable

**ADG classification:** Not "dangerous goods" for transport by road or rail according to the Australian Code for the Transport of Dangerous Goods by Road and Rail.

**SUSDP classification:** Schedule 5 (Standard for the Uniform Scheduling of Drugs and Poisons)

### 3. COMPOSITION / INFORMATION ON INGREDIENTS

| Ingredients:           | CAS Number: | Concentration (g/kg): |
|------------------------|-------------|-----------------------|
| Coumatetralyl          | [5836-29-3] | 0.375                 |
| Dyestuff               | -           | Very low              |
| Food ingredients       | -           | Very high             |
| Bitrex bittering agent | [3734-33-6] | Very low              |
| inert ingredients      | -           | Med                   |

Proportion (%w/w): V. low = <1%; Med = 1-29%; V. high = >60%

### 4. FIRST AID MEASURES

**If poisoning occurs, immediately contact a doctor or Poisons Information Centre (telephone 13 11 26), and follow the advice given. Show this Material Safety Data Sheet to a doctor.**

**Inhalation:** Not available

**Skin contact:** Not available

**Eye contact:** Not available

**Ingestion:** If poisoning via the oral route occurs seek immediate medical advice.

**First Aid Facilities:** Provide washing facilities in the workplace.

**Symptoms:** Symptoms of overexposure relate to failure of the blood clotting mechanism and include bleeding gums and failure of blood clotting after skin wounds.

**Medical attention:** Refer to the section on Health Effects above.  
If poisoning occurs apply basic aid and decontamination procedures. Consideration should be given to inducing emesis and/or administering activated charcoal to prevent further absorption.  
Vitamin K1 (Phytomenadione) is antidotal. Administer Vitamin K1 regularly IV or orally until clotting times return to normal and remain normal.  
In severe poisonings, blood transfusions may be required.

### 5. FIRE FIGHTING MEASURES

**Extinguishing media:** Water fog or foam

**Hazards from combustion products:** If involved in a fire: No hazardous decomposition products will be emitted.

**Precautions for fire fighters:** Fight fire in the early stages if safe to do so. Wear respiratory protection.

Well ventilated areas: wear full face mask with combination filter eg., ABEK-P2 (offers no protection from carbon monoxide).  
Enclosed premises: wear respirator with independent air supply.  
Contain firefighting water.

Date of Issue: October 15, 2002

---

### 6. ACCIDENTAL RELEASE MEASURES

After spillage/leakage/gas leakage:

Prevent spillage from spreading or entering waterways and drains. Work from up-wind side of spill. Vacuum or sweep up spill. Fill material along with any contaminated soil etc., into sealable containers. Clean affected area with an aqueous detergent and a small amount of water. Absorb this with hydrated lime and place in a sealable drum. Spread hydrated lime over the affected area. Do not smoke, eat or drink during clean-up operation.

### 7. HANDLING AND STORAGE

**Handling:** Keep out of reach of children.

**Storage:** Store away from food, drink or animal feeding stuffs.  
Store below 30°C.  
Keep away from heat or moisture.

### 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

**Exposure standards:** NOHSC exposure standards have not been established for the active constituent or any inert ingredient in this formulation.

**Engineering controls:** No engineering controls are required for normal use of this product according to label

**Personal Protective Equipment:** Poisonous if swallowed. Do not touch the bait.

**Personal protective equipment:**

Do not touch the bait. Use scoop or measure.

If product on skin and after each baiting, wash thoroughly with soap and water.

### 9. PHYSICAL AND CHEMICAL PROPERTIES

**Appearance:** Very viscous blue paste

**Odour:** Slight characteristic smell

**Vapour pressure:** Not relevant.

**Vapour density:** Not relevant.

**Boiling point:** Not relevant.

**Freezing/melting point:** Not relevant.

**Solubility:** Not dispersible

**Density:** Approx 1 kg/L

**pH:** Not relevant

**Flash Point:** Not relevant

**Flammability (explosive) limits:** Not explosive

# MATERIAL SAFETY DATA SHEET

## Racumin Rat and Mouse Paste

Date of Issue: October 15, 2002

---

**Auto-ignition temperature:** Not flammable  
**Octanol/water partition coefficient:** Not relevant  
**Formulation:** Paste bait

### 10. STABILITY AND REACTIVITY

**Chemical stability:** Stable under normal conditions of use.

**Hazardous polymerisation:** Hazardous polymerisation will not occur.

**Conditions to avoid:** Keep away from heat or moisture

**Incompatible materials:** Avoid strong oxidising agents.

**Hazardous decomposition products:** If involved in a fire: No hazardous decomposition products are expected to be emitted.

### 11. TOXICOLOGICAL INFORMATION

#### POTENTIAL HEALTH EFFECTS

**Inhalation:** Not available

**Skin contact:** Not a skin irritant

**Eye contact:** Not an eye irritant

**Ingestion:** Coumatetyl is an anticoagulant (see below).

**Other:** Coumatetyl is a first generation anticoagulant of the warfarin type. After one exposure the toxicity of coumatetyl is relatively low, however if exposure continues over several days the product becomes more toxic. That is, the product must be constantly present in the blood for more than 1 to 2 days in order to be highly toxic. A single exposure, even though relatively large, may not produce toxic symptoms as the compound is quite rapidly metabolised.

#### ANIMAL TOXICITY DATA – ACTIVE INGREDIENT:

**Acute:**

|                             |                                   |
|-----------------------------|-----------------------------------|
| <b>Oral toxicity:</b>       | LD <sub>50</sub> rat: 16.5 mg/kg  |
| <b>Dermal toxicity:</b>     | LD <sub>50</sub> rat: 25-30 mg/kg |
| <b>Inhalation toxicity:</b> | Not available                     |
| <b>Skin irritation:</b>     | Not a skin irritant               |
| <b>Eye irritation:</b>      | Not an eye irritant               |
| <b>Sensitisation:</b>       | Not available                     |
| <b>Chronic:</b>             |                                   |

Animal studies show no evidence of carcinogenic or teratogenic effects.

### 12. ECOLOGICAL INFORMATION

Do not allow dogs, cats or other mammals to contact this product.

|   |  |
|---|--|
| <b>Fish toxicity:</b>                                   | No other ecotoxicological information available. |
| <b>Daphnia toxicity:</b>                                | Not available                                    |
| <b>Toxicity to algae:</b>                               | Not available                                    |
| <b>Bird toxicity:</b>                                   | Not available                                    |
| <b>Bee toxicity:</b>                                    | Not available                                    |
| <b>Other:</b>   | None   |
| <b>Environmental fate, persistence and degradation:</b> | Not available.                                   |

### 13. DISPOSAL CONSIDERATIONS

- 1) After intended use: Use all the bait at the baiting site. Do not dispose of undiluted chemicals on-site. Break, crush or puncture and bury empty containers in a local authority landfill. If not available, bury the containers below 500 mm in a disposal pit specifically marked and set up for this purpose clear of waterways, vegetation and roots.
- 2) After spill or accident: Dispose of sealed containers at an approved local waste disposal site.

### 14. TRANSPORT INFORMATION

**UN number:** Not applicable  
**Proper shipping name:** Not applicable  
**Class and Subsidiary Risk:** Not "dangerous goods" for transport by road or rail according to the Australian Code for the Transport of Dangerous Goods by Road and Rail.  
**Packing Group:** Not applicable  
**EPG:** Not applicable  
**Hazchem code:** Not applicable

### 15. REGULATORY INFORMATION

Registered according to the Agricultural and Veterinary Chemicals Act 1988

National Registration Authority Approval Number: 51508

### 16. OTHER INFORMATION

**Trademark information:** Racumin is a Registered Trademark of Bayer.

**Preparation information:** Replaces October 03, 2000 edition.  
Reason for update: Conversion to 16 heading format.

**Data sources:** Bayer CropScience Pty Ltd product safety data and published data

This MSDS summarises our best knowledge of the health and safety hazard information of the product and how to safely handle and use the product in the workplace. Each user should read this MSDS and consider the information in the context of how the product will be handled and used in the workplace including in conjunction with other products.

If clarification or further information is needed to ensure that an appropriate risk assessment can be made, the user should contact this company.

Our responsibility for products sold is subject to our standard terms and conditions, a copy of which is sent to our customers and is also available on request.
